

Multi Juicer CX 650

TUR MIX

With two press cones for large and small fruits

The Multi juicer is the ultimate juicer for everyone who wants to juice citrus fruits like professionals at home. The semi-professional citrus press has a lever arm made of cast aluminum with which even the last drop of juice can be squeezed out effortlessly.

Feature	Benefit
Pressure lever	For efficient pressing with minimal effort.
Two interchangeable press cones	Whether small or large citrus fruits, thanks to the two pressing cones, all fruit sizes can be pressed.
Drops stop	Prevents drops and no waste of the pressed juice.
The juicer can be completely dismantled Dishwasher safe accessories	For particularly easy cleaning.
Powerful but quiet motor	Efficient juicing with low noise emissions.
Anti-slip feet	Perfect adhesion to kitchen surface.
Stainless steel design Sieve insert made of stainless steel	Noble and high quality execution.
